POST NEWS

As we begin our Post news at the point at which we finished up last month; it seems we should start off with the results of the Chili Cook Off... There was no Chili Cook Off due to circumstances at the time. Perhaps we will have one later in the spring but this is doubtful at this time. We ate chili at home for more than a week from the entry we had planned to bring to the Legion.... On Thursday, March 2nd we had a snowfall of about 9 inches or so. As we headed to the 7 PM Information meeting at the Post with a crock-pot of corn chowder to share, I was surprised to see a “closed due to weather” sign on the Legion door. Don & Dawn Smith coming to set up for Friday night’s Fish Fry met us. We’re not sure how all of that turned out but that chowder sure did taste good at home. ... There were a couple of fund raising breakfasts and a dinner put on in early March. From what we could gather the turnout was moderate. We did hear a sad tale about the last Legion breakfast in February. It seems that midway through, the plumbing backed up everywhere! Drain Brain had to be called to unplug the drain to the sewer system. The cost prevented us from making a profit on this event. It was not a happy day for the Heroux crew. We keep telling Jim “But things happen”. But he wonders “Why with my crew?” ... Moving right along, Chef Tom Bennett was pleased with the turnout at our Steak and Shrimp dinner. Although we didn’t have the crowd that we normally have for fish fry’s, 75 – 80 dinners seemed like an enjoyable number. We probably could have served three sides instead of two. It seems that a lot of people wanted the soup, salad, and potato with their entrée. ... At our last Post meeting the membership chose to donate a monetary gift to the DARE program. It was also noted at our last meeting that if anyone has questions or a problem relating to our Post operation they should call Commander Al or Chairman of the Board of Trustees, Tom Bennett. This gets much better and more accurate results than asking a question or having a discussion at the bar. ... We are pleased to announce that our Post 770 Military Funeral detail will henceforth be clad in like uniforms. Thank you Funeral Director Joseph Sibley of the Ness-Sibley Funeral Home for the purchase of 10 American Legion Jackets to be used at all Military funerals. Our Post is often asked to provide a color guard, flag folders, and chaplain as part of the Post 770 Military Funeral detail. It is fitting that we will be attired in uniforms consisting of American Legion Logo Jackets, black pants and shoes, white short sleeve shirts and black ties. If you would like to participate in our Military Funeral detail, please call Phil Colvin, chairperson of our group. Phil maintains a phone tree for notification of funerals. While on the subject, let me remind our members that when a member dies, we form (with Legion hats) at the Post at 6:45 and proceed to the funeral home in mass for 7 PM calling hours. This has been, and still is, our commitment as a Legionnaire. Thank you Joe for your generous donation. ... During the past two weeks you have responded generously to the sale of our Albert M. Becker Memorial Scholarship raffle tickets. The \$1,000 scholarship is awarded to a boy or girl whose parents are members of the American Legion family, and are pursuing a degree in the field of journalism. The NY American Legion Press Association sponsors this annual award. As a member I receive several raffle tickets to sell. We asked for twenty more, and I am pleased to say they were gobbled up within several days. Thank you for your support. I hope we will have some winners among our purchasers. ... We understand the Boy Scout Spaghetti dinner had a fantastic response with their fundraiser put on at the Legion. There were even placemats with ads from various businesses to supplement the profit for the evening. We are pleased that we can provide a place for some of our community organizations to be able to host events. After all, our motto is to provide an obligation to the community, state, and nation. What better ways can we be of service to our community? ... We are about to witness the recession of snow as we approach April. Once again it is time to think about our “Walk of Honor” bricks surrounding our Cannon Memorial. Our brick inscriber begins his seasonal work as the freezing temperatures subside. We have sent all of our existing orders in and now await their fulfillment. For those of you who are considering the purchase of an inscribed brick in honor of a loved one, family member, or for yourself, this is a good time to pick up an order form at the Legion lounge and have your brick inscribed. Harold Wright will soon return and will be placing new bricks in our “Walk of Honor”. ... As our newsletter deadline is about to be reached, St Patrick’s Day and the Legion Birthday dinner will soon be upon us. For those that enjoy Corned Beef and Cabbage the Lions Club, Snow Machine Club dinner for seniors will be held on Wednesday night, Legion Fish and Steak Fry dinner on Friday

night, and Corned Beef and cabbage again on Saturday night for the Legion birthday party. Do we have anyone out there who will enjoy all three dinners? Sounds like an active week to me. ... Winding up loose ends we note that Ed Brown has wired up our warming unit in the kitchen. Thanks, Ed. Also a fan or two has been replaced and our thermostats for heat settings are being repaired or replaced. ... The membership has funded summer camp for a girl scout as part of our involvement with scouting programs. We are also paying for the membership dues for one of our long time member that is in a nursing home. ... Let us close "Post News" by stating that our National American Legion Press Association (NALPA) will be giving special focus on three issues during the year of 2006. If you have not guessed from some of our writings in past issues they are as follows: "Support for the War Effort (AL Resolution 169), Flag Amendment (AL Resolution 300), and Combat ACLU Abuse (AL Resolution 326). NALPA can play an important role in our communication process as we enhance our services to our veterans and educate American about those core values that are in jeopardy." This information was from a staff report delivered in the Winter Edition of the NALPA newsletter.
