AMERICAN LEGION POST 770 CONTRIBUTION FUND

While you are responding nicely to our plea for financial assistance and greater volunteerism, there have been changes at our Post that affect many things. Our Manager, Barry Smith, is currently looking into other fields of employment. At this point things are rather uncertain. In view of the situation, we are looking more than ever for volunteer bartenders. We will also need people to help with the other aspects of running the Post such as: kitchen help, letter changers for the roadside sign, cleaners, librarian, bulletin board changers, and wall & display case arrangers. We welcome ideas and your concerns. Let's all share the load together. Let any officer or Trustee Board member know of your desire to participate. Thank you.

We wish to thank the following members and friends for their monetary contributions: Erhart's Propane in honor of Al Richar, John Grove, John Duddleston, Bill Savey, Robert Bishop, Ed Farrell, and Robert Read.

POST NEWS

Looking back to where we ended last month's Post news we are reminded of a close encounter due to a misunderstood time for the Scouts Spaghetti dinner starting at 2 instead of 4PM as announced on our calendar. There seemed to be an imaginary line drawn across the kitchen as Tom and crew put out a Noon luncheon for about 40 Catholic women while the Scouts were preparing enough Spaghetti and salad to feed an Army. "All is well that ends well", but it was a little hectic for a while... You really responded to our breakfast of 4/25/04. We served 120 breakfasts. Seems like it must be some sort of record... There was a nice turn out for Earharts Employees banquet of about 35 – 40 people. Vice Commander, Al Richar, was honored for completing 30 years with the company. A substantial monetary donation was made to our Post in recognition of his many years of service. Thank you and Congratulations Al.... We wish to thank Bill Savey for answering our request for a stackable space saving washer and dryer. He presented the Post with a new set of appliances... The Post managed to make a few donations of its own. Among them were Savings Bonds for Awards at the C.O.D.H.S. Class of 2005 after Prom party at Helen Newman Hall of Cornell University, Seven Lakes Girl Scouts, and use of our facilities for a Fire Dept and Post 770 Fishing or Gun Show... Tom Bennett and Don Smith were appointed delegates to the 6th District and Department Conventions. Lee Weaver and Bill Parker as Alternates... We were a little unhappy to have donated the use of our facility for use in teaching two sessions of the Boating & Water Safety Course only to find they were cancelled because the instructor would not teach the course. We still don't know what that was all about... It seems like we can't get through a month without being informed of some misdeeds. Before the last fish & steak Fry dinner pots and pans had been left dirty and had to be washed before we could use them. Following another dinner put on by some people who weren't part of our crews, we found all the plates and silver had been put away wet, without being dried. Please leave the strainers in the bottom of the sink. Without them discarded food goes through the pipes and ... no not directly to our sewer but the grease trap instead. Its not too much fun to have to clean that out on a busy night (without warning). Have we scolded you enough? We know you will do better next time. You are still appreciated!... Some of you have asked about the blue star emblems to hang in your window. You no doubt remember seeing them in homes where a family member was serving on active duty during a previous war. The trend is catching on once again. Our Post has ordered a supply of the blue star banners. If interested stop in and inquire about the availability and price... The Post membership has decided to offer the use of our facility for funeral receptions of

deceased American Legion members...We were so happy to hear the news of Katie Conroy making 1st Class Petty Officer from her sister Kim Tompkins. I can remember the eve of Katie's enlistment in the Navy. We talked a lot about what to expect as we visited in the old Legion. Katie was a former student of mine and is now serving on the Air Craft Carrier the U.S.S. Carl Vincent out of Seattle, Washington. Having been a former carrier sailor some 50 years ago, I am somewhat partial to Katie's dedication. Keep up the good work Katie, the Navy needs people like you...We welcomed John Grove at the Post recently. On his trip north he pulled a trailer toting a 5-foot stainless steel steam table and a 5 ft refrigerated stainless salad bar, both on wheels. That wasn't all...he also brought bags of logo towels and aprons for the kitchen and took away the old refrigerator systems that have been setting outside for years. Thank you John for your donations to the Post. You are very generous and considerate...The Bob and "Pete" Newport Memorial celebration was wonderful. We drove up Seneca Road wondering how many family friends would remember the good old days of Newport Chevrolet...The remembrances were outstanding with an estimated 175 – 200 people in attendance. It was nice to see and talk with Mike, Ann, Barb, Betty Jo and many, many old friends... American Legion Election of Officers took place at the regular meeting of 5/10/04. Although it was held in candlelight (3 hour power failure) we elected the following Officers: Commander – Al Richar, Adjutant – Phil Colvin, First Vice – Tom Bennett, 2nd Vice – Bob Smith, 3rd Vice – Open, Finance Officer – Lee Weaver, Service Officer – Don Bennett, Chaplin – Bill Parker, Historian – George Van Valen, Sargent at Arms – Open, Judge Advocate – Don Smith, Board of Trustees – Harold Wright... We were delighted to be informed of the graduation of 4 T-Burgers at SUNY Brockport in May. There were Sarah Colvin, daughter of members Phil & Nan Colvin, Sarah Cole, daughter of members Don & Barb Cole, Alana Bowers, daughter of SAL member Bobby & Cheryl Bowers and granddaughter of Bob & Pat Bowers and member Bill Boyer, and Chris Lincoln, nephew of member Doug Millspaugh. Congratulations students, parents, uncle, and grandparents.

Francis J "Frank" Barry, Jr. - died April 21, 2004 at his home. Frank served with the US Army during the Korean War. THE CANNON "WALK OF HONOR" & MEMORIAL SITE

We have been promised our first group of engraved bricks will be ready to be picked up around May 19th. We are sorry to disappoint some of you who would have liked to see them installed earlier but pleased that they will be in place by Memorial Day! Please pick up an application at the Post if you are planning to honor a Veteran. The "Walk of Honor" is an ongoing project.

ADJUTANT REPORT

We will have elected and installed new officers for 2004 – 2005 by the time you receive this newsletter. It is important that we support the new officers so that they can do the jobs they were elected to. It's everyone's job to make Post 770 the best American Legion it can possibly be. That doesn't mean just the club, but the American Legion too. After all, we are an American Legion Post.

It's not too late to pay dues for 2004. They will count for Credit for Department Convention until Convention Call, which is about June 7th or 30 days before Convention. Probably in July we'll be accepting dues for 2005. The new membership cards are usually received in July. An application for American Legion membership was printed in a recent issue of the Post 770 newsletter. Sign up a new member. Keep in mind we need a copy of the Veteran's DD Dome # 214, or other verification of Honorable service.

I am retiring as Adjutant of Post 770. Except for about 4 years, I have been Adjutant since 1971. It's time someone else took over the job. I appreciate all of the support I have had from all of you during those many years. **THANK YOU!** Please give your support to my successor, Phil Colvin, as I will. William F "Bill" Parker
